

Transfers of major weapons: Deals with deliveries or orders made for 1970 to 1996

Note: The 'No. delivered' and the 'Year(s) of deliveries' columns refer to all deliveries since the beginning of the contract. The 'Comments' column includes publicly reported information on the value of the deal. Information on the sources and methods used in the collection of the data, and explanations of the conventions, abbreviations and acronyms, can be found at <http://www.sipri.org/contents/armstrad/sources-and-methods>.
